Thanks Chris. Your primary comment – the region has been calling it a partial approval, but it's really more approving a subset. Let's talk more if needed. I'm working on the edits now and will re-share with all shortly; Chris Z is out all week...

Thanks Jim,

Unfortunately Chris is on leave all week - I told him I would work with Leah on revisions. Should the 3 of us discuss? I am free all day. Leah, let me know how you would like to proceed.

Subject: Deschutes TMDL Paper

Hi Leah and Chris,

Attached are my (hopefully not too repetitive) comments. They should be fairly self-explanatory.

My main comment is that the paper really needs a much more in depth identification and discussion of the
FOIA exemption (b)(5) ACP

I'm happy to discuss my comments and the paper in greater detail on Monday
